Subject: CZARA/TMDL litigation call this morning - start at 10:15AM

Hi Karen, Gene, and Jane,

I'm coming into the office late this morning, so I was hoping to start our call at 10:15AM. I don't have any updates on the TMDL litigation, but I was going to talk with Karen and Gene on a couple of CZARA topics (pesticides condition, 303(d) listed waters and new development guidance).

My work email isn't working this morning, so if you need to reach me, you can either reply to this email or call me on my cell phone at [Ex. 6 - Personal Privacy] before 9am .

Thanks and looking forward to talking soon,
Jenny
